## Skills

## Welcome

I am a skilled and passionate Frontend Developer with a proven track record of creating stunning and user-friendly web applications. I am dedicated to crafting exceptional user experiences and building responsive, interactive websites.

My journey in the world of web development has equipped me with a deep understanding of HTML, CSS, and JavaScript, allowing me to breathe life into web designs. I am adept at translating mockups and wireframes into pixel-perfect, cross-browser compatible, and mobile-responsive websites.

Sincerely,  
Tornike Epitashvili.
